The financial story 1996 to 2015

Total running costs of WBHS = R47m in 2015

The shifting financial burden: Changing legislation – WBHS classified as a self-managing Quintile 5 advantaged school

The future of WBHS.....

Low Road: Stay as we are; future outcomes good but not necessarily excellent; no longer a national or international leader

High Road: Relevant to the changing world and needs; responding to change; nurturing all-round excellence in rapidly changing contexts

Why the Foundation is necessary

The financial story...

What is the purpose of the Foundation?

A vehicle that provides an opportunity for

- old boys,
- parents, and
- other members of the school community

to offer financial assistance to the School

in support of a selection of projects

that will secure the School's ongoing mission of nurturing all-round excellence.

What is the purpose of the Foundation?

These projects include:

- the upgrading of existing facilities and
- the building of new facilities

in order to ensure that the learning environment remains innovative and technologically relevant.

What is the Foundation?

Section 21 Company – body corporate separate from the School, can protect its own assets

Public Benefit Organisation – tax benefits

BBBEE opportunities

Complements the Educational Trust – some differences (ownership of assets) but similar purposes
